Working as One Council in
the historic capital of the Black Country

Hearing and Visual Impairment Services

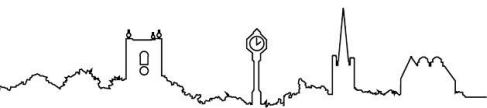

- The Services provide advice, information and specialist equipment for students with a hearing or visual impairment.

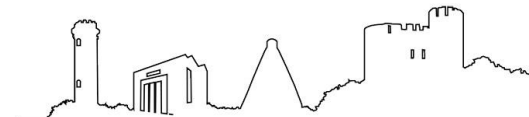

Who do we see?

- Students who live within the Dudley Borough or who have attended a Dudley school and received support from the HI or VI Service.
- A Service Level Agreement or Contract is shared with the FE provision.
- Students who live within the Dudley Borough and attend FE in neighbouring authorities. There is usually the option of the student receiving support from within that Local Authority.

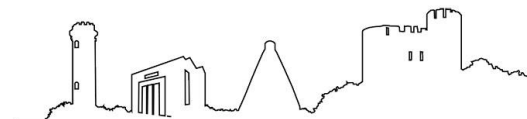

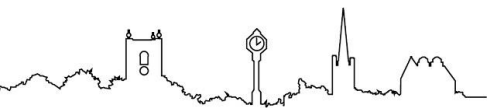

Working as One Council in
the historic capital of the Black Country

What do we do?

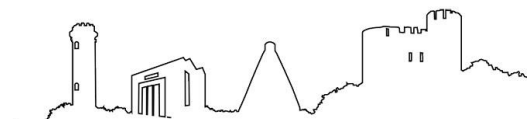

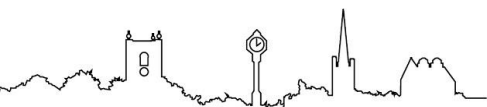

- Advise and give information to students and staff.
- Ongoing assessment of functional hearing or vision.
- Specialist Assessments and annual report.
- Support and advice on the loan and use of specialist equipment.

What do we do?

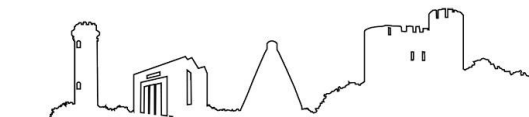

- Prepare and provide enlarged/modified learning materials, Braille/Moon/tactile materials, auditory resources
- Deliver training.
- Collaborative work with families, professionals and other agencies such as health and social care
- Attend and contribute to statutory assessment and EHCP annual reviews.
