

The 'All About You' series

- Are you a Young Person with SEND and considering education, training or employment?
- Are you in need of more information on how you will be supported as a Young Person with SEND?
- Are you a Parent supporting your child with SEND to find out about the support they will receive with their Post 16 choice?

If the answer is **Yes**, then this session is for you.

As part of The 'All About You' series hosted by Dudley SENDIASS via MS Teams this session will bring together professionals from health services who work with Young People to talk about how they can support their SEND Post-16.

Wednesday 18th May 2022 10am – 11.30am
Health – transition to adult services

Staff will be explaining:

- what health services are available to support young people with SEND and their health needs up to the age of 25, including the transition between child and adult services, for example physiotherapy, occupational therapy?
- how young people with SEND are supported depending on their level of need?
- how this support prepares young people with SEND to manage their health needs in adulthood?

During each session there will be an opportunity to ask the panel questions.

To book on to this session go to
