ADMISSION FREE

We are excited to announce that Sight Village Central will return to the Eastside Rooms, located in the heart of Birmingham's Knowledge Quarter.

Sight Village is the UK's premier exhibition dedicated to the blind and low-vision community, drawing thousands of visitors eager to explore the latest in technology, products, and support services. It provides a unique opportunity to engage with new innovations in a sensory-rich environment where you can see, touch, and experience products and services firsthand.

Sight Village has proudly served the Low Vision Community for over 30 years and continues to do so!

Pre-registration recommended.

VISITING BY TRAIN

The venue is easily accessible by rail: **Birmingham Moor Street Station** is the closest, about a 12-minute walk. This station is on the Chiltern Main Line, servicing London Marylebone. **Birmingham New Street Station** is a 15-minute walk from the venue, with extensive rail connections across the UK.

From **Moor Street Station**: Turn right, follow Moor Street Queensway, continue straight at the crossroads onto Jennens Road, and the venue will be on your left at Woodcock Street. From **New Street Station**: Follow the signs to Moor Street Station (a 5-minute walk), then follow the directions above.

VISITING BY CAR

The venue is easily accessible from the **A38**, connecting to the **M6**, **M42**, and **M5** motorways.

The nearest car park is **Millennium Point Multi-Storey** (B4 7AP), open daily from 6 AM to midnight, with overnight parking available. Check the car park website for current rates. Additional parking is available at **Aston University** (B7 4BH), open daily from 6 AM to 10 PM, with gates locked overnight. See the car park website for up-to-date charges.

VISITING BY AIR

The venue is approximately 10 miles from **Birmingham International Airport**, which is connected to **Birmingham New Street Station** by a direct train.

VISITING BY BUS

The closest bus stops are located along **Moor Street Queensway**, just a short walk from the Eastside Rooms.

The exhibition will be held in the spacious Central Area, featuring the stunning main suite, the Affinity. This will be complemented by two seminar rooms, providing a relaxed environment for attendees to enjoy insightful presentations and engaging talks from exhibitors. The Eastside Rooms also features the adjoining 195-room Aloft by Marriott hotel.

Refreshments and catering will be available for purchase throughout the day at the café areas.

Interaction Zone Comments:

"The atmosphere here is buzzing, and it's exciting, it's interesting. If you have any questions about services or equipment for visually impaired people, this is the best to get an answer" Visitor

"It's made me aware of things I didn't know existed... and it's helped me to try things out to know whether I do need them or not. There are visually impaired people on the stalls, and they can explain to use exactly how it helps them" Visitor

"I've been coming to Sight Village for about ten years now maybe, and I just think it's a really good thing and I'd recommend it to anybody and everybody... so come along" Visitor

"For our type of equipment, I think it's really important to come and see, touch and hold products - because that's what it's all about, it's a sensory show" Exhibitor

"It's a great opportunity to try those products and services, meet people and also connect with the community. It's a privilege to be here" Exhibitor

"Follow us to always be up to date for all things Sight Village"
